

## OUR MISSION

People's Express (PEX) is dedicated to providing safe and reliable public transportation to empower all individuals to maintain their independence and enhance their quality of life, with attention to underserved populations including, but not limited to: aging adults, people with disabilities, lower-income, underemployed or unemployed, and those with limited access to transportation due to rural geography.

*People's Express*

"We are making real progress toward the goal of having accessible, affordable public transportation throughout Oakland County," said Oakland County Executive Dave Coulter. "Local providers like People's Express are leading the way by expanding service and realizing increased ridership as more people learn about the benefits of an improved system. Our new transit division looks forward to working with People's Express and local communities to improve service and create a truly countywide system in the days ahead."
