Parks & Recreation Master Plan Update 2022-2026

The City of South Lyon is in the process of updating the **South Lyon Parks and Recreation Master Plan**. This is a five-year plan to inventory existing recreational opportunities and facilities available, identify problems and needs, and establish a strategy to address those needs.

A draft plan has been completed and will be available for public review and comment for a period of 30 days, beginning November 12th. A digital version of the draft plan will be available on the City's website, and a paper copy will be available at City Hall, the South Lyon Police Department, and the Salem-South Lyon District Library.

Any comments can be submitted via email to **hsmith@cibplanning.com**, either written in an email or on a copy of the PDF plan file. Hand-written comments can be submitted at City Hall.

A public hearing will be held at the December 13th City Council meeting.
